Your Best

If you always try your best
Then you'll never have to wonder
About what you could have done
If you'd summoned all your thunder
And if your best
Was not as good
As you hoped it would be,
You still could say,
I gave today
all that I had in me

Sweet Memories

Our Carmel college is always blessed with the presence of good personalities. One such kind of a person is Sr. Lizet. She is more working as the superintendent in our office but unfortunately going to retire from the terms of office this year. She has joined in our college on June 1988 and had a strong experience of 30 years where she had given out her best for the progress and upliftment of our college in all means. She is such a kind person and always ready to spend her time with the staff and students to meet their needs. Her dedication is always remarkable.

Being superintendent, she tried to co-ordinate all the staff members for the smooth functioning of the office. We are always thankful to you for your immense contribution and never ending support on all endeavours. May the God almighty shower all his blessings on you and have joyful and peaceful years ahead.

Sr. Melvin is an icon of dedication. God fearing, devoted and lovable, sister is always eager to do her duties neatly and perfectly. She showed much commitment and dedication to the college during the past 30 years of her service. Her genuine capacity for endless labour is worthy of commendation. The patient and kind attention with which she considers everyone make her an unforgettable one in the minds of all. At this moment of farewell we would like to thank dear sister from the bottom of our heart and wish her a peaceful retire life.

Sweet Memories

Cicily chechi, a lovable woman with kind heart. Smiling face and patience makes her more approachable. She showed much commitment and dedication to the college during past 30years of her life. She is very much liked by the students because of her nice behaviour, disciplined nature and way of dealing with them. We can never forget her dedicatin towards work and valuable contribution in getting the job done perfectly without any delay. She always kept a friendly relationship with both staff and students. Her dedicated service would be always in our heart forever.

M.A History (2011-2013)

Down the memory lane of Carmel

Beginnings are usually scary and endings are usually sad, but it's everything in between that makes it worth living. College life is that part of your life that you are going to relive in your life till you breathe. When i go back to my college days, ifeel so nostalgic. Those days when I spend time bonding and chatting with the friends, being part of college union, singing,volunteering, engoying i was making memories that i could save forever.

Carmel college gave me a number of oppertunities to make myself better. I could become a student editor, association secretary and the union chairperson. It is the stage of my college and three years of comparing that gave me the courage to face audience. It was then i realised the strength of my voice. Dzone, fine arts, college days, sports, cricket tournament are only a few in the list. I grew up to become a strong willed ambitious woman with the support of my teahers and friends. Actually I loved media during my college days but I eventually settled down as a teacher. The love for teaching had a lot to do with the teachers who taught me the subjects during my cllege days.

To be a part of a vibrant campus and to be a part of an energetic department is a great experience. Looking back, strongly feel that my college days had played a significant role in moulding me into a better human being.

As I share a chair with my teachers in my department, teaching in the classrooms where I once sat listenig to classes, I feel really privileged. We all come back to our college out of our will, because of our attachment to this campus,our department, and our teachers. It is not only to be a teacher ,but also gain insight into various experiences, to improve ourselves, that most important being to catch up on the good old items. Some memories will never fade...
